Let's talk options that save you energy and money

Have you met Jim from APS? He's on the road to spread the word about options that give you more control over your energy use and budget.

REFRIGERATOR RECYCLING
Save $100 annually and help the environment by keeping your old fridge out of a landfill. We'll even haul it away for free and give you a $30 rebate.

DUCT TEST AND REPAIR
Receive up to $250 in rebates when a participating contractor tests and seals leaky ductwork in your home, which can save you up to $200 a year.

CFL BULBS
CFL bulbs use up to 75% less energy and save you $40 over the life of each bulb.

HOME ENERGY CHECKUP
For just $99 (a $400 value), your checkup will identify opportunities to make your home more energy efficient and qualify you for rebates on ductwork repair, air leaks, insulation and more.

You've got options.
Find them all at aps.com/options.

D-BACKS SUSTAINABILITY

The Arizona Diamondbacks sustainability program is an organization-wide commitment to improving its environmental performance and to use baseball as the platform with which we can influence players, fans, employees and corporate partners to positively affect environmental change.

GREEN INITIATIVES & PRACTICES

- Salt River Fields at Talking Stick received LEED Gold Certification for New Construction, the first LEED Gold-certified sports venue of its kind in the United States…sustainable project elements include siting the stadium to provide maximum shade, using native vegetation, minimizing stormwater runoff, maximizing the amount of fresh air brought in through its HVAC systems and using grass-covered parking lots, rather than asphalt, that can double as playing fields for the community when not in use.
- D-backs are a participating member of a premier sustainability awareness organization: Green Sports Alliance.
- APS "Green" series at Chase Field, since 2009, to promote energy efficiency and environmental stewardship…provides fans with suggestions on increasing energy efficiency and other tips for more sustainable living…purchased "Green-e Certified" energy for series that is a mixture of wind, solar and other renewable resources.
- Partnering with the City of Phoenix on the "Reimagine Phoenix" sustainability initiative in 2014.
- Hosting a Zero-Waste Spring Training game on March 13, 2014 at Salt River Fields which was the first of its kind in Arizona.
- Communications: Media guides are available electronically; *D-backs Insider* magazine is printed with soy ink on recycled content paper; most marketing collateral printed on FSC certified products.
- Human Resources: Employees are encouraged to commute using alternative transportation; reusable beverage containers are provided to employees for use in the office; game day event and concessions staff shirts are each made from 16 recycled bottles.
- Concessions: Grease is recycled into biodiesel fuel; vendors distribute bio-based and compostable food service items; reusable "loyalty cup" available to season ticket holders; donated over 5 tons (8,333 meals) of unused food in 2013 to a food recovery program that provides for people in need.
- Operations: Recycling containers have been placed throughout the concourse, administrative office and press box; LED equipment has been installed throughout ballpark, including the scoreboard display; and water-saving faucets installed on the Suite Level.
- The D-backs plan to divert paper, cardboard, plastic and metal products from the waste system and minimize water use throughout the ballpark.
- Encourage the use of alternative forms of transportation and lower the carbon footprint for Chase Field by reducing the amount of energy used for the facility's operation.

EXECUTIVES

E.G. (KEN) KENDRICK

MANAGING GENERAL PARTNER

A charter member of the ownership group that brought baseball to the Valley of the Sun, Ken Kendrick's involvement in the general partnership took on added significance in 2004 when he assumed the role of Managing General Partner of the Arizona Diamondbacks. Kendrick has taken an active role in the day-to-day operation of the D-backs and is the organization's designated representative when Major League Baseball owners convene during the course of the year.

During his tenure as the Managing General Partner, the D-backs have twice captured the National League West Division (2007, '11), reaching the National League Championship series for just the second time in the franchise's existence in 2007. As a commitment to the fans, Kendrick and the D-backs' ownership group continue to reinvest all profits into the team, as the club's payroll this season will be its highest since 2002, the year after winning the World Series. Under Kendrick's leadership, through equity and debt restructures, the team has eliminated more than $180 million of debt, putting the franchise on sound financial ground for years to come.

Kendrick is entering his 11th season in his current role and during that time, the franchise has become a model organization in Major League Baseball, hosting an All-Star Game at Chase Field in 2011, opening a Spring Training facility that is widely considered the finest in all of baseball in Salt River Fields at Talking Stick and becoming one of the largest philanthropic entities in the Valley with charitable contributions topping $37 million since the organization's inception.

In 2013, *ESPN the Magazine* rated the D-backs as the No. 1 team in all of Major League Baseball in its Ultimate Standings, which gauges success both on and off the field.

While the D-backs are his primary business focus, Kendrick has also helped to change the face of downtown Phoenix, as he was a principal in the development of CityScape, Arizona's largest commercial/retail real estate development just footsteps from Chase Field.

After receiving a Bachelor of Science in Business Administration from West Virginia University in 1965, Kendrick started his career with IBM. Three years later, he founded Datatel, Inc., which has become the worldwide leader in the development of computer software for the management of infrastructure technology for colleges, universities and foundations.

As Datatel continued to grow and prosper, Kendrick stepped down from the daily oversight of the company to explore new business opportunities. He served as President of a Texas-based financial services technology company for four years in the 1980s. In 1989, Kendrick became the principal investor in Woodforest National Bank in The Woodlands, Texas, which now is one of the nation's largest employee-owned banks. Woodforest National Bank, a $3.8 billion entity with 5,000 employees, is a subsidiary of Woodforest Financial Group, which was founded by Kendrick and also includes Merchants' Choice Credit Card Services and Par Real Estate.

Kendrick also owns Bumble Bee Ranch, which is devoted to providing western lifestyle experiences to children's charities throughout Arizona.

He is very active in many philanthropic endeavors, beginning with his role as Chairman of the Arizona Diamondbacks Foundation. The D-backs organization, combined with its Foundation, has surpassed the $37-million mark in combined charitable giving since its inception, including more than $11 million in the last three years. In 2011, Kendrick received the Ellis Island Medal of Honor from the National Ethnic Coalition (NECO). He and his wife, Randy, were previously named the Living and Giving Honorees for the Desert Southwest Chapter of the Juvenile Diabetes Research Foundation. Kendrick also received the Visionary Award from the Foundation for Blind Children, Spirit of the Children Award from Childhelp USA, Today's Kids/Tomorrow's Stars honoree of the Boys & Girls Clubs of Metropolitan Phoenix, River Conservator of the Year by the Roaring Fork Conservancy and was named Man of the Year by the March of Dimes. He also serves on boards for various charities including the Barrow Neurological Institute, Brophy College Prep, the Phoenix Art Museum, The Buddy Program, Childhelp USA, UMOM New Day Centers, Challenger Center for Space Science Education, TGen Foundation, Cleveland Clinic Foundation, Roaring Fork Conservancy, Phoenix Children's Hospital, Arizona Heart Foundation and is Founding Chairman of the Datatel Scholars Foundation.

As a prostate cancer survivor, Kendrick has made significant contributions over the years to fund research in that field and in 2013, the Cleveland Clinic created The Kendrick Family Chair for Prostate Cancer Research.

Among the other endowments funded by Kendrick are Project Excellence, an educational program for inner-city youth at Phoenix Country Day School (PCDS) whose mission is to enrich, engage and empower first-generation students (the first in their families to prepare for higher education) from local public schools and the Loyola Academy, which provides education to 6th, 7th and 8th graders at Brophy College Prep who demonstrate academic promise but have had limited educational opportunities. In addition, Kendrick has supported the Tuzos Soccer Club since 2009 to underwrite the team's expenses with costs for registration, field-use fees, uniforms and equipment. The Club allows players from low-income families the opportunity to play in high-level tournaments, where players can be seen by college and soccer coaches and have the opportunity to receive scholarships.

An avid baseball card collector his entire life, Kendrick revealed in 2010 that he purchased the famed 1909 T206 Honus Wagner card that was once owned by hockey great Wayne Gretzky. The Wagner card and 34 other iconic and rare baseball cards in Kendrick's collection, titled "The D-backs Collection," were previously displayed at the National Baseball Hall of Fame and Museum in Cooperstown, N.Y.

A native of Princeton, W.Va., Kendrick is an alumnus of West Virginia University in Morgantown and sits on the

On Opening Day 2013, Ken Kendrick (R) joined Derrick Hall (L) and former D-backs pitcher Brandon Webb.

Board of Directors for the WVU Foundation. In 2013, he received an honorary doctorate from the university, considered higher education's most prestigious recognition. He is the founder of the Center for Free Enterprise at WVU and he and his wife have established programs at WVU's College of Business and Economics focused on free-market research and at the WVU Eye Institute to support children's vision outreach programs. Kendrick funded the WVU Hall of Traditions, which provides a first-class showcase for the tradition of Mountaineer football and serves as a recruiting focal point at WVU. In 2006, Kendrick was inducted into the state of West Virginia's Business Hall of Fame and was also named to the WVU Academy of Distinguished Alumni. In 2011, he was inducted into the inaugural Roll of Distinguished Alumni at WVU's College of Business and Economics. He also sits on an advisory board of the University of Charleston in Charleston, W.Va., where he received an honorary Doctorate degree in 2005.

Kendrick and his wife founded the Freedom Center at the University of Arizona to promote, along four dimensions, the understanding and appreciation of the ideals of freedom and responsibility via published research, undergraduate education, graduate education, and community outreach. The Freedom Center also endows the Kendrick Chair in Philosophy and Economics.

In 2014, Kendrick will be inducted into the Sigma Nu fraternity national Hall of Fame, an honor bestowed upon less than 60 people in the nearly 150-year history of the organization. Among those enshrined are "Bear" Bryant, Pat Riley, Archie and Eli Manning, Harrison Ford, broadcasters Al Michaels and Joe Buck, as well as former Major League managers Dick Howser and Dallas Green.

Kendrick will also be honored this year with the prestigious Herman W. Lay Memorial Award by the Association of Private Enterprise Education, named for the former Chairman of the Board of Pepsi. The award honors individuals who have emulated the pattern of success and philanthropy that Lay lived while representing the best that the free enterprise system produces.

He, Randy and their two children, Cal and Catie, make their home in Paradise Valley, Ariz.

MIKE **CHIPMAN**

GENERAL PARTNER

Mike Chipman is one of the three general partners who possess the largest financial stake in the franchise, and while he takes a low-profile approach to his role, his business acumen is invaluable when the partners assemble to make executive decisions regarding the shaping of the D-backs.

A graduate of the U.S. Air Force Academy with a degree in Computer Science, Chipman spent five years in the basic research arm of the Air Force, attaining the rank of Captain before resigning his commission to pursue a career in civilian life. He spent the next few years as a research scientist working in the area of computational physics, principally at Science Application International in La Jolla, Calif.

Chipman then made a huge impact in the computer software industry in the early 1980s when he and wife Evy founded ChipSoft, Inc., the original owner and developer of TurboTax®, the leading income tax preparation software program for consumers and small businesses. Chipman served as President and Chief Executive Officer of ChipSoft until 1990 and Vice Chairman until 1993, when ChipSoft and TurboTax® were merged with Intuit, Inc. ChipSoft grew from a spare room operation in the Chipman's home to a 550-person public company by the time he retired from the business.

Since retirement, Chipman has invested in various businesses principally through an Investment Angels group. Chipman has had a hand in the development of the highly successful Bank of Internet USA and has been involved as an investor with other banks in Northern Nevada. He has been an owner of commercial real estate in Arizona for more than a decade during which time he became one of the primary investors in the D-backs.

In 2008, Chipman ventured on his longtime dream to complete the 2,650-mile Pacific Crest Trail hike on foot from the Mexican border in California into British Columbia in Canada. The trek took him more than five months to complete the majority of the trail from April through September. He finished the remainder in 2010. He has since completed the Grand Enchantment Trail (Phoenix to Albuquerque, 750 miles), Washington Coast Trail (400), Tahoe Rim Trail (165) and the Colorado Trail (500). Mike says the Arizona Trail (800) is on the short list.

Mike and Evy make their home near Lake Tahoe, Nev., where he has built a model railroad, complete with nearly 1,700 trees, a project that has kept him busier than he ever imagined. The Chipmans spend a lot of "baseball time" locally in Paradise Valley after having wintered in Carefree for 10 years.

JEFF **ROYER**

GENERAL PARTNER

Jeff Royer is a General Partner of the Team. Royer's love for baseball began in his youth as a devoted fan of Warren Spahn, the record-setting, left-handed pitcher of the Milwaukee Braves.

Royer is a private investor with interests in telecommunications, cable television, medical devices, hospitality and wireless equipment.

DERRICK **HALL**

PRESIDENT & CEO

Considered by many to be among the leaders of the game, D-backs President & CEO Derrick Hall has turned the organization into a model franchise within the sports industry and throughout the business world during his eight years at the helm of the club. Hall focuses the organization's efforts in five areas he has called the "Circle of Success" – fan experience, performance, community, culture and financial efficiency – each of which has seen tremendous growth during his tenure.

The success of the franchise during Hall's tenure has led to numerous honors, including ESPN the Magazine tabbing the D-backs as the top Major League franchise in 2013 and sixth overall among the 122 professional sports franchises in the publication's Ultimate Standings, which is based on eight categories on and off the field.

With a focus on creating the best fan experience in all of sports, Hall has succeeded in accomplishing that goal at both Chase Field and at Salt River Fields at Talking Stick, the D-backs' Spring Training home near Scottsdale. Stadium enhancements at Chase Field that have taken place under Hall's guidance include the APS solar shade structure and Game Seven Grill in the plaza area, new HD scoreboard in center field, the Sandlot on the upper level, the Miller Lite Diamond Club, All-You-Can-Eat Seats on the Insight Diamond level and value-item pricing at concession stands and Team Shop locations throughout the ballpark. Hall also installed, named and created a FAWTSY (Find A Way To Say Yes) customer service policy throughout the organization to further improve upon the extraordinary fan experience, while the team continues to offer the lowest Fan Cost Index in Major League Baseball.

Hall's leadership has helped guide the D-backs to two National League West Division Championships (2007, '11) and one NLCS (2007). Following a 97-loss season in 2010, Hall hired Kevin Towers as the club's general manager and along with Towers, tabbed Kirk Gibson as the manager. The results were immediate, with the team posting a 29-game turnaround and a 94-win season in 2011, the third-highest total in franchise history. Gibson would go on to win National League Manager of the Year honors while Towers finished third in Executive of the Year voting.

In the community, Hall has positioned the D-backs as one of the largest philanthropic entities in the Valley. In 2013, the Arizona Diamondbacks Foundation and the D-backs' organization surpassed the $37 million mark in charitable giving since their inception in 1998, including more than $25 million in the past eight years under Hall's direction. During the 2013 Yarnell Hill fire, the D-backs were able to give back more than $700,000 on behalf of their fans to the families of the 19 firefighters who lost their lives. In 2008, Hall established the Michael Wogan Season Ticket Scholarship Program, a first-of-its-kind program for fans or existing season ticket holders who may have experienced a change in circumstances, providing families with more than 340 full season tickets for a value of more than $600,000 since its inception.

The unique corporate culture of the D-backs, which was created by Hall, led Yahoo! to deem the club as "the best workplace in sports." In 2013, the sports industry's highly-regarded recruiting network TeamWork Online tabbed him as the "Best Boss" in sports and the organization was named the "Most Admired Company for Workplace Culture" by AzBusiness Magazine and BestCompaniesAZ. Fittingly, the D-backs' physical front office was rebranded the D-backs Culture & Innovation Center in 2013.

Among the programs Hall has created is the President's Council, comprised of select members of the executive management team and a rotating committee consisting of the organization's Employee of the Month winners, to organize numerous company culture events throughout the year. He also established employee recognition programs like "A-Game All-Stars" to reward game-day employees for exceptional service on a monthly basis throughout the season. The organization's investment in its employees resulted in the D-backs becoming the first sports organization to be named among the "Best Places to Work" by the Phoenix Business Journal for seven consecutive years from 2007-13.

In 2012, with the intent to increase community volunteerism amongst D-backs employees, identify and develop leaders, and build upon D-backs culture, the team created the D-backs Give Back League. More than 100 employees joined to form nine teams with each creating a plan to reach into the community. The volunteer-driven league resulted close to $875,000 in cash and in-kind donations and several thousand volunteer hours.

The D-backs' payroll in 2014 will be its highest since 2002, yet during the last nine years the team has eliminated more than $180 million of debt through equity and debt restructures, putting the franchise on sound financial ground for years to come.

The organization continues to rack up awards and honors under Hall's leadership, including the Greater Phoenix Chamber of Commerce IMPACT Award – Community Champion (2013), Arizona's Corporate Excellence Community Impact Award (2013), City of Phoenix Equal Opportunity Department – Excellence Award (2013), Arizona Business Leadership Award (2012), "Organization of the Year" (2011) and the DREAMR award (2012) by the Downtown Phoenix Partnership, "Most Admired Company" and "top leadership" by AZBusiness Magazine (2011). In 2010, the D-backs were given the inaugural United Nations NGO Positive Peace Award, which named the D-backs the most positive team in the world. The award honors and recognizes organizations positively impacting their communities through corporate responsibility.

Hall's vision to further establish the organization as a sports industry leader while spurring economic development and impact throughout the Valley came to fruition in 2011, as the team hosted the Major League Baseball All-Star Game at Chase Field for the first time ever, creating an economic impact of more than $67 million. Hall's persistence in convincing MLB to award the Midsummer Classic to the D-backs allowed Chase Field and downtown Phoenix to be showcased in more than 100 million homes across the world, while working diligently with city leaders, politicians and officials to ensure that fans had the finest All-Star Game experience.

The unveiling of Salt River Fields at Talking Stick, the D-backs 140-acre Spring Training facility shared with the Colorado Rockies on Salt River Indian Community land near Scottsdale, Ariz. that Hall negotiated and designed, has greatly added to the already $350 million of eco-

nomic impact for the Valley associated with Spring Training each year. In both 2011 and 2012, the D-backs set a franchise record for Spring Training attendance while the two clubs set an all-time Major League record for combined attendance at a single Spring Training facility. Salt River Fields was the first pro sports training facility in the U.S. to be built on tribal land and was privately funded without the use of any taxpayer dollars. The complex received LEED-Gold certification from the U.S. Green Building Council in 2011, the first venue of its kind to achieve this designation.

Hall's vision for Salt River Fields was to keep fan interaction with players a top priority while also ensuring maximum comfort for visitors at the 11,000-seat ballpark. Both goals were accomplished, as the main stadium is located in the middle of the facility to enable fans to mingle throughout and get an up close look at D-backs players as they practice. A unique roof structure and a northeast-facing field allow for approximately 85 percent of the fans in all 7,000 fixed seats to be shaded as the game progresses.

Hall routinely communicates with D-backs fans as part of his "one fan at a time" concept by answering every letter, email or phone call. He conducts monthly chats on dbacks.com and is among just a handful of club presidents on Twitter (@DHallDbacks), where he interacts regularly with fans. Hall spends most of his time at home games communicating with the fans in the stands to ensure their experience at Chase Field is exceptional.

Among the projects outside of Chase Field and Salt River Fields that have Hall's fingerprints on them is the Legends Entertainment District, a joint venture between the D-backs, the Phoenix Suns and the City of Phoenix that is the first of its kind between two professional sports organizations. The project has transformed the look of downtown Phoenix by creating experiential outdoor marketing opportunities and an energetic backdrop for visitors and Phoenix residents to enjoy their experience downtown.

Under his guidance, the D-backs hosted the first round of the 2013, World Baseball Classic and Hall has represented the team on goodwill trips to Mexico, Japan, the Dominican Republic, Australia and New Zealand, helping to bring international recognition to the franchise. In 2014, Hall's continued efforts to showcase the D-backs on global stage will reach its highest point, as the club will host the Dodgers during MLB's historic Opening Series in Sydney, Australia.

Hall currently serves on 25 boards, including the Arizona Mexico Commission, Great Hearts Academies, Arizona Chamber of Commerce, Greater Phoenix Convention & Visitors Bureau, National Vice President of the Muscular Dystrophy Association, National Advisory Council for Pancreatic Cancer, Stand Up 2 Cancer Melanoma Dream Team Sponsor, US Airways Education Foundation, Make-A-Wish Foundation, and Positive Coaching Alliance. Hall, who is the current Chairman of the Board for the Valley of the Sun United Way, raised $47 million throughout the Phoenix area as the non-profit organization's 2009-10 campaign chairman. He has also raised money by serving as an event chairman for the Prostate On-Site Project (POP) Walk, 75th Anniversary March of Dimes, March for Babies Walk, The Wellness Center, several Juvenile Diabetes Research Foundation (JDRF) events, Southwest Autism Research & Resource Center (SARRC), St. Vincent de Paul, Florence Crittenton and the Foundation for Blind Children.

Hall, who serves on MLB's diversity committee and the Commissioner's on-field diversity task force, gives numerous keynote speeches to various groups or conventions throughout the country about his unique vision on leadership, customer service and culture. He has spoken to U.S. Air Force Academy cadets at the annual National Leadership and Character Symposium. He donates all speaking engagement fees back to the Arizona Diamondbacks Foundation and other local non-profit organizations he supports.

A native of Los Angeles, Hall joined the D-backs in May 2005 as Senior Vice President, Communications and served in numerous capacities prior to being named president in September 2006 and adding the title of CEO in January 2009. Prior to joining the D-backs, Hall made a brief stop as Senior Vice President, Corporate Communications for a Fortune 500 company based in Los Angeles, where he increased brand awareness. He spent parts of 12 seasons with the Los Angeles Dodgers, joining the organization's Single-A Florida State League affiliate in Vero Beach, Fla. as an intern in 1992 and departing as the club's Senior Vice President, Communications in 2004. In between, he served key roles during three ownership changes with the Dodgers and was recognized for reuniting Fernando Valenzuela with the organization after hiring him as a color analyst for the team's Spanish radio broadcasts in 2003.

Hall stepped outside of baseball for employment during the 1999 season, as he hosted a three-hour morning talk show on the Dodgers' flagship station (XTRA 1150 AM) and served as host of the "Dodger Game Day" pre-game radio show when the team played at Dodger Stadium. He also had a stint in front of the camera as a weekend sports anchor at KNBC-TV (Ch. 4) in Los Angeles.

He received a bachelor's degree from Arizona State University, where he was named "Man of the Year" in 1991, in broadcasting and journalism and a master's degree from Ohio University in sports administration. In 2012, he received an honorary Doctorate degree from the University of Phoenix. He was inducted into the ASU Walter Cronkite School of Journalism and Mass Communications Alumni Hall of Fame in 2002 and was awarded the ASU Young Alumni Achievement Award in 2003. In 2006, Ohio University's Sports Administration Program recognized Hall as the 25th recipient of the Charles R. Higgins Distinguished Alumnus Award. Hall was the keynote speaker for ASU's Cronkite school convocation in December 2008, becoming the first Cronkite alum to deliver a commencement speech at the school's graduation and also spoke at the W.P. Carey School of Business and the University of Phoenix convocations in 2012.

His philanthropic efforts led to Hall being named the APS Peacemaker Award at Valle del Sol's Profiles of Success, the Bill Shover Leadership Award from United Blood Services and the prestigious Phoenix Award by the Phoenix Chapter of the Public Relations Society of America (PRSA) in 2013. He was the inaugural recipient of the Goldwater Community Service Award in 2012 by the Active 20-30 Club of Phoenix. In 2007, he was named to the Phoenix Business Journal's "Forty Under 40" class, was the recipient of the "Community Lifeline Award" from Teen Lifeline and was named the Phoenix Father's Day Council "Father of the Year" to benefit the American Diabetes Association. The SportsBusiness Journal added him to its prestigious "Forty Under 40" class in 2008. The Phoenix Business Journal also named Hall to its inaugural list of "Most Admired CEOs" in 2009. Hall is also a member of the ASU W.P. Carey School of Business "Dean's Council of 100," Young Presidents' Organization and the Thunderbirds.

He faced his greatest personal challenge when he was diagnosed with prostate cancer in September 2011, just as the team was battling for a division title. Hall immediately went public with the diagnosis in order to encourage other men to get tested after age 40. Following successful surgery to remove his prostate, Hall is now cancer free and has become a tireless advocate of cancer-fighting charities while continuing to speak publicly about the health challenge he faces. In 2014, he will launch his own 501(c)(3) organization, the Derrick Hall Pro-State Foundation, which is dedicated to serving as a comprehensive tool for those who have been diagnosed with prostate cancer and their families to help them understand the challenges and choices they face and how they can maintain a "pro" state of mind.

Hall and his wife, Amy, reside in Paradise Valley with their children Logan, Hayden and Kylie.

Under Harris' guidance, through equity and debt restructures, the team has eliminated more than $180 million of debt in the last nine years.

CULLEN MAXEY

EXECUTIVE VICE PRESIDENT, BUSINESS OPERATIONS

Cullen Maxey begins his eighth season with the Arizona Diamondbacks in 2014 and fifth as Executive Vice President, Business Operations. Maxey oversees all revenue-generating departments throughout the organization, including Broadcasting, Communications, Community Affairs, Corporate Partnerships, Special Projects/Fan Experience, Game Operations/Multimedia Production, Marketing, Spring Training and Ticket Sales & Service.

Since joining the D-backs as Vice President, Corporate Partnerships, Maxey has stimulated revenue generation throughout the organization by enacting a proactive sales and service approach unique to Major League Baseball. Under his leadership, the philosophy of decreasing marketing clutter and developing rewarding relationships has resulted in a 45 percent increase in revenue while decreasing the organization's total number of corporate partners by 25 percent.

In 2013, the D-backs fundraising and community giving reached its highest levels, as the team and Arizona Diamondbacks Foundation have now given back more than $37 million since their inception. Those efforts were recognized when the D-backs were recently given the *Phoenix Business Journal's* ACE Award for Community Impact as well as the Greater Phoenix Chamber of Commerce Impact Award as Community Champion.

For the third consecutive year, the D-backs hosted the Most Valuable Partner awards program in January, a first-of-its-kind concept created by Maxey as a more effective way to teach marketing practices year round in a captivating way that motivates partners to participate. The Oscar awards-style dinner and on-stage production showcases the winners of each category and has garnered local and national attention, just one of several ways the D-backs seek to provide a better return for corporate partners. It has been lauded as a revolutionary way of improving the business-to-business summit in sports.

Maxey played a key role in directing his business operations team to ensure the success of the 2011 All-Star Game, which was played at Chase Field for the first time ever, and the 2013 World Baseball Classic. He has also played an integral role in the creation and execution of the multi-million dollar Legends Entertainment District, the team's unique partnership with the Phoenix Suns that has begun to revitalize downtown Phoenix. With 55,000 square feet of dynamic outdoor digital and static signage opportunities which run 18 hours a day, 365 days a year, the project has developed new revenue for both teams while helping promote ticket sales and deliver team messages to more than eight-million annual visitors and 700 diverse events each year.

The D-backs' ticket sales strategies have continued to pay off, as the team has seen total ticket revenue, season ticket revenue, group sales and suite sales grow in each of the past four seasons. In fact, the organization even saw an increase in new season-ticket revenue following the 2010 season despite a difficult season on-field, as Maxey led the development of a season-ticket holder advisory board to gain a better perspective from the most valued customers.

Maxey leads the creation and ongoing execution of the business plan for Salt River Fields at Talking Stick, the Spring Training facility on Salt River Indian Community land shared with the Colorado Rockies. In its first two seasons of existence in 2011-12, the D-backs led all of baseball in spring attendance while breaking the single-season Spring Training attendance record for a two-team complex, selling out more than two-thirds of their games while the facility received numerous awards and accolades.

Maxey's path to the D-backs began with revenue generating positions at the Phoenix Suns from 1997-2001. He served as VP of Corporate Sales for the Phoenix Coyotes from 2001-04, which was highlighted by the opening of their new arena in Glendale. Prior to joining the D-backs, Maxey spent two years as the General Manager of Sun Devil Sports Marketing for CBS Collegiate Sports Properties, the multimedia rights holder of Arizona State University Athletics.

The Phoenix native is a member of the Thunderbirds and serves on the board for the Boys & Girls Club of Metropolitan Phoenix, St. Joseph's Hospital and Medical Center Foundation and the Special Olympics of Arizona.

He and his wife, Brenda, have two children, Will and Lizzie, and reside in Chandler.

KEVIN TOWERS

EXECUTIVE VICE PRESIDENT & GM

Kevin Towers, one of baseball's most respected general managers, enters his fourth full season with the Arizona Diamondbacks. He enters 2014 with 17 years of experience as a Major League general manager to join the Oakland Athletics' Billy Beane and the San Francisco Giants' Brian Sabean as the fifth longest-tenured active GM in Major League Baseball. Only the Detroit Tigers' Dave Dombrowski (25 years), Cincinnati Reds' Walt Jocketty (19), New York Mets' Sandy Alderson (18) and Milwaukee Brewers' Doug Melvin (18) have more experience among MLB's current group of general managers.

During his tenure as D-backs General Manager, the team has won the N.L. West Division (2011) while several team members have garnered recognition, including NL Hank Aaron Award winner and NL MVP runner-up Paul Goldschmidt (2013), NL Defensive Player of the Year Gerardo Parra (2013), Rookie of the Year runner-up Wade Miley (2012), Manager of the Year Kirk Gibson (2011), three Gold Glove Awards and four Silver Slugger Awards.

Since taking the reins of the D-backs, the team has posted a .527 winning percentage, the second-best mark in the NL West. Overall, Towers has 1,369 wins as a general manager, one of eight current GMs to post at least 1,300 victories during their career.

In his first season at the helm of the D-backs' baseball operations in 2011, the team won 94 games and the National League West Division title just one season after finishing in last place with 97 losses. As a result of the 29-game turnaround, Towers finished third in *The Sporting News* Major League Baseball Executive of the Year voting.

Of the D-backs' 40-man roster entering the season, every player with the exception of Miguel Montero and Gerardo Parra were either acquired by Towers via trade or free agency or reached the Majors under his watch. Among his most significant additions have been Bronson Arroyo, Eric Chavez, Didi Gregorius, Aaron Hill, Martin Prado, J.J. Putz, Addison Reed, Mark Trumbo and Brad Ziegler. Eight of the D-backs' Top 10 prospects, according to *Baseball America*, were acquired by Towers via trade or drafted under his direction, including the two atop the list – Archie Bradley and Braden Shipley.

At the Minor League level, D-backs affiliates have won five league championships and made 11 playoff appearances over the past three seasons while several coaches have been promoted to Major League positions around baseball. During that time, 21 D-backs Minor Leaguers have made their Major League debuts.

On the international level, Towers has helped raise the global presence of the D-backs, signing the organization's first players from Japan, Brazil and Germany. The D-backs hosted the World Baseball Classic in 2013 and will host the historic 2014 MLB Opening Series in Sydney, Australia this season. He has taken goodwill trips to Japan, Mexico and the Dominican Republic on behalf of the team and as an avid traveler, has visited more than 30 countries during his lifetime, including all seven continents.

Towers joined the D-backs following one season as a special assignment scout for the New York Yankees in 2010. Prior to holding that position, he served as GM of the San Diego Padres from 1996-2009. During that period, the Padres reached unprecedented heights under his leadership, including winning four of the franchise's five National League West championships in 1996, 1998, 2005 and 2006 and advancing to the World Series in 1998 against the Yankees. San Diego's 2007 club fell one game shy of advancing to the postseason for a third straight year after losing a tie-breaker game to the Colorado Rockies for the league wild-card berth. The Padres had the fourth-most wins (346) in the National League from 2004-07 after Towers constructed an organizational-best 23-game turnaround from 2003 to 2004 to set the Padres' successful run of four consecutive winning seasons during the team's first four years in PETCO Park.

The Medford, Ore., native first joined the Padres when he was selected in the first round of the 1982 First-Year Player Draft after earning All-Western Athletic Conference honors as a right-handed pitcher for Brigham Young University. Towers was a Texas League All-Star in 1984 and pitched seven seasons in San Diego's farm system before a series of arm operations ended his playing career at Triple-A Las Vegas in 1988.

Towers began his post-playing career as an area scout for the Padres in Texas and Louisiana from 1989-91. During the summers of 1989 and 1990, he also served as pitching coach for the organization's short-season Single-A affiliate in Spokane, Wash., with the club winning Northwest League championships in both seasons. After two years with the Pittsburgh Pirates as a regional and national crosschecker, Towers returned to the Padres as Director of Scouting in August 1993, a position he held until being named General Manager on Nov. 17, 1995.

Towers and his wife, Kelley, have two bulldogs, Arlow and Stella. He was inducted into the Medford Sports Hall of Fame in April 2007.

Kevin Towers and Paul Goldschmidt announced 6-year contract extention on March 30, 2013.

During her tenure with the D-backs, Bohn has played a role in marketing the launch of Salt River Fields at Talking Stick as well as the 2013 World Baseball Classic and 2011 All-Star Game. CRAIG **BRADLEY**

VICE PRESIDENT, FINANCE

Craig Bradley enters his 18th year with the Dbacks and eighth as Vice President, Finance. He works closely with management as well as overseeing the accounting, purchasing, revenue sharing, reporting, Dominican Republic and other business operations.

Joining the team in 1997 as Business Manager of Baseball Operations, Bradley worked alongside former GM Joe Garagiola, Jr. and other staff in setting up the Minor League system, academy in the Dominican Republic, scouting and Major League operations. Prior to the inaugural 1998 season, he oversaw the completion and start-up of the Tucson training complex and consulted on the development of the new facility at Salt River Fields at Talking Stick.

In 1999, he identified the impact of player injuries and the effect on the player development process from a cost and appropriate time to evaluate perspective. Working with trainers, baseball executives and medical providers, he devised, implemented and managed an injury/workers compensation claim management approach that is proactive from the time an injury occurs through the doctor's final clearance. As a result, the D-backs consistently have the lowest rehab and workers compensation insurance premiums and are among the lowest in disabled list time in baseball.

Moving from baseball operations to finance in 2004, Bradley became the Controller in order to gain more experience and perspective on the operational and financial functions of the entire business. In this role, he implemented a new accounting system, expanded staff roles over ticket revenue analysis and not-for-profit accounting, implemented a timely, efficient and secure mechanism for delivering funds to mobile players and staff and created an efficient projection process. In 2008, he lobbied to have the organization begin its annual fiscal planning process months earlier than usual. By having a preliminary financial plan for the next year due by May 31 of the current year, management is able to use the current season to assess operations and plan for next season, while also improving staff effectiveness during the busy offseason.

Recognizing his leadership abilities, Bradley was promoted to Vice President, Finance in 2006. A past member of the President Council (charged with business direction and company culture), Bradley develops effective, motivated and considerate staff while also working closely with the EVP/CFO on club debt and equity transactions, debt service compliance and other business matters.

In 2012, he led the effort to renegotiate and extend the club's lease of its Dominican Republic training facility, revamping the leadership there, managing a $500,000 facility improvement and implementing policies to improve overall operations. Also in 2012, with the intent to increase community volunteerism amongst D-backs employees, identify and develop leaders, and build upon D-backs culture, Bradley created the D-backs Give Back League (DGBL). Over 100 employees joined together to form nine teams in both 2012 and 2013. Each team created a plan to reach into the community, from homelessness to foster care, youth education, at-risk populations and the hungry, the DGBL's impact each year has been tremendous. While truly volunteer oriented, the DGBL still resulted in over $375,000 and $500,000 in cash, in-kind, and time donations in 2012 and 2013 respectively. For his efforts, Bradley was awarded the inaugural D-backs Innovation Award in 2012.

A CPA, Bradley worked as the Asst. GM, Business Operations for the Phoenix Firebirds of the Pacific Coast League from 1994-97. With the Firebirds, he was responsible for game and stadium operations, season tickets, ticket operations and merchandising.

After graduating from Arizona State University in 1988, he joined the firm of Arthur Andersen & Co. before moving into the construction and manufacturing industries. He played baseball for the Sun Devils from 1983-85, earning a junior varsity letter.

An active board member and Treasurer of Dignity Health Foundation, East Valley, and DGBL Team Fostering Hope, he is also a founding board member of About Care, Inc.

He and his wife, Dr. Jennifer Bradley, have two daughters, Cecilia and Olivia, and make their home in Tempe.

REMEMBERING JOE BLACK

Major League Baseball and the Arizona Diamondbacks suffered a great loss with the passing of Joe Black on May 17, 2002. Black began his playing career in the Negro Leagues and shuffled through various professional leagues before making his Major League debut in 1952 with the Brooklyn Dodgers as a teammate of Jackie Robinson. Black made baseball history as a rookie when he became the first African-American pitcher to win a World Series game and eventually was named the National League Rookie of the Year.

Black remained an integral part of baseball following his playing days. As Vice President of B.A.T. (Baseball Assistance Team), he dedicated his time to helping fellow baseball players who had fallen on hard times. He contributed his vast knowledge of the game as a consultant to the Commissioner's Office. A Phoenix resident, Black worked in the D-backs' Community Affairs department and shared his stories as a guest speaker for numerous community groups.

Beyond baseball, Black was a pioneer in the business world and worked tirelessly to impact the civil and human rights advancements for minorities.

In remembrance of him, a baseball bearing his name hangs from the rafters of Chase Field.

As a result, the D-backs have more than tripled their charitable programs and investments in the community.

The D-backs' commitment to the community is demonstrated in new and unique programs including the D-backs School Challenge presented by University of Phoenix. Since 2012, the D-backs School Challenge received 2,200 applications for Arizona public, private and charter schools. To date, the Foundation awarded $400,000 to 81 schools. Castaldo, a tenured marketing, community relations and corporate partnerships executive, joined the D-backs prior to the 2009 season after four years at St. Joseph's Hospital and Medical Center. BOB GEBHARD

VICE PRESIDENT, SPECIAL ASSISTANT TO THE GM

Bob Gebhard enters his 10th season with the D-backs in 2014 as Vice President & Special Assistant to the General Manager. Serving an integral role within the D-backs' baseball operations, Gebhard has offered input from his vast experience in the game. He served as the baseball operations department's point person with HKS Architects, Mortenson Construction and the Salt River Pima-Maricopa Indian Community during the construction of Salt River Fields at Talking Stick, the award-winning two-team facility the D-backs and Colorado Rockies share in the Northeast Valley.

In 2012, Gebhard received the Roland Hemond Award from the Society of American Baseball Research (SABR) in recognition of his contributions to the community of professional baseball scouts. In 2011, he was named the recipient of the Sheldon "Chief" Bender Award, as announced by Minor League Baseball. The award recognizes an individual with distinguished service who has been instrumental in player development, has established good relationships with their organization's affiliates and is well respected in the baseball community.

Gebhard joined the D-backs prior to the 2005 season after a five-year stint in a similar role with the St. Louis Cardinals from 2000-04 under then-General Manager Walt Jocketty, who he assisted in the club's day-to-day Major League operations including player evaluation and contract negotiations. He served as the D-backs' Interim GM from August-October 2005.

None of those roles were new to Gebhard, who was on the ground floor of the Rockies' franchise, joining the club during the winter in 1991 and building the entire baseball operations department from scratch. His efforts were rewarded with the Rockies' first playoff appearance only three years into their existence in 1995, winning the National League's first-ever Wild Card spot on the final day of the season. His early successes in Colorado included the signing of veteran Andres Galarraga to a free-agent contract the day before the 1992 Expansion Draft, then engineering a trade for slugging outfielder Dante Bichette immediately following the draft, with the duo eventually comprising half of the famed Blake Street Bombers. Gebhard and his staff were so thoroughly prepared for the Expansion Draft that six members of the 1995 Division Series playoff squad still remained when the Rockies played the Atlanta Braves.

Gebhard joined the Rockies after a successful stint in the Minnesota Twins' front office, joining the team as the Director of Major League Personnel in 1987, then assuming the role of Vice President of Player Personnel the following year. His first and last years with Minnesota culminated in a pair of World Series rings, as the Twins knocked off the Cardinals in 1987 and Braves in 1991.

Gebhard had an 11-year playing career as a pitcher that included big league duty with both the Twins and Montreal Expos. He was a player/coach in the Montreal organization from 1974-75, then was promoted to Minor League Field Director and pitching coach in 1976, a role he held for six seasons. Gebhard was part of Montreal's Major League coaching staff in 1982, then served as Director of Minor League Operations through 1986. He then joined the Twins, the organization that selected him in the 15th round of the first June draft in 1965.

A native of Lamberton, Minn., Gebhard earned 16 letters in four sports in high school. His athletic career then shifted to the University of Iowa, where he co-captained the baseball team and also played basketball.

Gebhard and his wife, Nancy, who still reside in Centennial, Colo., have three children, daughters Angie and Jenny, and son, Casey. They also have seven grandchildren.

SCOTT GEYER

VICE PRESIDENT, BROADCASTING

Scott Geyer enters his 20th year with the Arizona Diamondbacks in 2014, including his 13th season as the organization's Vice President, Broadcasting.

During the past several years, Geyer and his staff have played a key role in two significant projects that each launched in 2011 – the construction of the D-backs' new Spring Training Facility at Salt River Fields and the 2011 MLB All-Star Week hosted at Chase Field. He played an integral role prior to the start of the 2008 season in the installation of the new Daktronics HD video scoreboard, a $14 million project that also included the build-out of video production rooms to service the new board, and the technology behind the digital media network throughout the ballpark's concourses. The D-backs' 136-feet wide by 46-feet tall video board in center field is one of the world's largest high definition video screens and, along with other updates with video technologies throughout the ballpark under Geyer's direction, enhances the fan experience at Chase Field.

Geyer, who has 30 years of experience in sports television, served as the director for each of D-backs' self-produced game telecasts on KTVK-TV (Ch. 3) and on FOX Sports Arizona for the organization's first 10 years. He joined the D-backs in 1995 to prepare the organization for its live television productions and to provide design insight into the construction of Chase Field from the media point of view. Prior to his move to baseball, he spent 10 years as a producer and director for the Phoenix Suns' television package, while also managing the production and post-production division of US Airways Center since it opened in 1992.

Geyer is a native of the San Francisco Bay Area and graduated from San Diego State University with a degree in broadcast journalism, prior to making Phoenix his home in 1980.

He and his wife, Lisa, have two sons, Adam and Travis.

ROLAND **HEMOND**

SPECIAL ASSISTANT TO THE PRESIDENT & CEO

One of the most respected and experienced executives in baseball, Roland Hemond was selected as the second recipient of the Buck O'Neil Lifetime Achievement Award by the National Baseball Hall of Fame and Museum's Board of Directors for his extraordinary efforts to enhance the game's positive impact on society. Presented with the award in Cooperstown, N.Y., in 2011, the honor is bestowed upon an individual whose efforts broadened the game's appeal and whose character, integrity and dignity is comparable to the late O'Neil, who passed away in 2006 after eight decades of contributions to the game. O'Neil was honored as the first recipient of the award in 2008.

Hemond begins his seventh season during his second tour of duty with the Arizona Diamondbacks in 2014. He rejoined the D-backs midway through the 2007 season as Special Assistant to the President & CEO and immediately got to work by strengthening the D-backs' relationships throughout Major League Baseball and enhancing the organization's initiatives in Mexico. For three consecutive Spring Trainings from 2008-10, the D-backs played exhibition games at Hector Espino Stadium in Hermosillo, Sonora, Mexico against another Cactus League team.

A three-time winner of MLB's Executive of the Year award, Hemond has 63 years of professional baseball experience, including 23 seasons as a general manager with the White Sox (1971-85) and Baltimore Orioles (1988-95) and five seasons as Senior Executive Vice President with the D-backs (1996-2000). He later served as Executive Advisor with the White Sox (2000-07) until rejoining the D-backs. Hemond, who is considered the architect of the highly successful Arizona Fall League that began in 1992, is a nationally recognized ambassador of the game and a highly sought-after speaker. His professionalism, friendliness and willingness to contribute ideas and advice are attributes unmatched in the industry.

He was inducted into the Boston Braves Historical Association Hall of Fame in 2007, was presented with the prestigious William J. Slocum Award at the New York baseball writer's dinner in 2006 and the Honors Award from the Baseball Coaches of America. In 2003, Hemond was honored with the esteemed Branch Rickey Award, presented by the Rotary Club of Denver to individuals in baseball who contribute unselfishly to their community and who are strong role models for others. He was the first non-uniformed person to receive the award and remains the only one with that distinction.

During his first stint with the White Sox, Hemond was named Executive of the Year in 1972 and 1983. The 1972 White Sox went 87-67 for the organization's first winning record in five seasons. The 1983 club went 99-63 and won the AL West Division title by 20 games, which was then a record for largest winning margin. While with Baltimore in 1989, Hemond was tabbed Executive of the Year for the third time after the Orioles improved 32.5 games from the previous season and made a 22-game improvement in the standings. During his tenure with the White Sox and Orioles, Hemond negotiated 135 trades involving 428 players.

Hemond was honored by Minor League Baseball for his longtime dedication and service to the game as the 2001 "King of Baseball." Hemond's baseball career began in 1951 as a front office member of the Eastern League's Hartford Chiefs. He also worked with the Boston/Milwaukee Braves from 1952-60 before being hired as Scouting and Farm Director of the Los Angeles Angels in 1961. Hemond remained in that role until joining the White Sox in September 1970.

Hemond is president of the Association of Professional Ballplayers of America, a non-profit organization that helps former and current players and baseball personnel in need. Along with White Sox executive and former agent Dennis Gilbert and scouts Dave Yoakum and Harry Minor, Hemond helped found the Professional Baseball Scouts Foundation to provide assistance to longtime scouts who are in need of special support.

Four annual awards are named in Hemond's honor: the first is presented by the White Sox in honor of those dedicated to bettering the lives of others through extraordinary personal sacrifice; the second is the *Baseball America* Award, presented to the person who has made major contributions to scouting and player development; the third is the Society of American Baseball Research (SABR) Award, given to the executive who has displayed great respect for scouts; and the final one is presented by the Arizona Diamondbacks to the individual in scouting who exemplifies the qualities of strong character, dedication to the D-backs' organization and an unfailing work ethic in the search for championship-level talent. Hemond was the inaugural recipient of both the *Baseball America* and SABR awards. He received an honorary degree in Humane Letters from the University of Phoenix in July 2006 and has encouraged baseball players, coaches and front office personnel to pursue their college degrees with the University of Phoenix online program, as well as other colleges. Hemond was named an honorary member of Princeton University's 1954 class after speaking at a sports symposium at the university in 2009.

Hemond is a native of Central Falls, RI. He and his wife, Margo, reside in Phoenix and have five children: Susan, Tere, Robert, Jay and Ryan, and four grandchildren: Taylor, Zane, Cameron and Natalie. Margo's father is John Quinn, a former Major League general manager for 28 years with the Boston Braves, Milwaukee Braves and Philadelphia Phillies. Margo's grandfather, James A. "Bob" Quinn, was a player, front office executive and owner of the Columbus, Ohio affiliate starting in 1888, giving the family continuity in professional baseball for parts of three centuries. The elder Quinn was a part owner of the Boston Red Sox and Boston Braves and was the President of the National Baseball Hall of Fame and Museum from 1948-51. ARIZONA NO-HITTER & PERFECT GAME: RANDY JOHNSON ON MAY 18, 2004 @ BRAVES

Adept at setting records throughout his career, Randy Johnson added something new to his impressive resume when he retired all 27 Atlanta Braves he faced on May 18, 2004, in Turner Field. At 40 years, 251 days, he became the oldest pitcher in history to record a perfect game, bettering Cy Young, who was 37 years, 37 days on May 5, 1904. Johnson's gem was the 15th in modern day regular season history, the 16th including Don Larsen's perfect effort for the Yankees in the 1956 World Series.

Johnson fanned 13 in the 117-pitch performance which concluded with a 98-mph pitch to Eddie Perez to end the game. It was the first no-no in franchise history and first perfect game in the Majors since the Yankees' David Cone on July 18, 1999, vs. Montreal. It was also the first perfecto in the National League since the Expos' Dennis Martinez retired all 27 batters he faced on July 28, 1991 @ Dodgers.

ARIZONA NO-HITTER: EDWIN JACKSON ON JUNE 25, 2010 @ RAYS

Edwin Jackson tossed the second no-hitter in D-backs history and 278th no-hitter in Major League history on June 25, 2010, @ Rays in memorable fashion, as his 149th pitch induced Jason Bartlett's game-ending groundout to Stephen Drew. Jackson's 149 pitches were the most all-time in a no-hitter, while his 36 batters faced tied for the most and his 8 walks tied for the third-most all-time. He threw more than 60 pitches in the first 3.0 innings, causing the D-backs to warm-up four relievers.

ALL-TIME NUMERICAL ROSTER

RETIRED NUMBERS

20 The D-backs retired Luis Gonzalez's number in a pre-game ceremony on Aug. 7, 2010. Gonzalez is the first former D-backs player to have his number retired by the organization. Gonzo is the franchise's all-time leader in nearly every offensive category after an 8-year stint with the D-backs from 1999-2006, leading all D-backs' players with 1,194 games, 1,337 hits, 310 doubles, 224 home runs, 650 walks, 780 runs, 774 RBI, 4,488 at-bats, 2,373 total bases, a .529 slugging percentage and .391 on-base percentage. The 5-time All-Star with the D-backs (1999, 2001-03, 2005) is remembered for his game-winning single in the bottom of the ninth inning in Game 7 of the 2001 World Series that gave the D-backs their first World Championship.

42 Commissioner Bud Selig announced on April 15, 1997, that Jackie Robinson's No. 42 was retired by Major League Baseball, barring players on any Major League club to wear the number. As an exception to the retired number policy, MLB has recently begun honoring Robinson's legacy by allowing players to wear No. 42 on April 15 each season to celebrate Jackie Robinson Day. For the 60th anniversary of Robinson's Major League debut, MLB invited players to wear No. 42 on Jackie Robinson Day in 2007. The gesture was originally the idea of Ken Griffey, Jr., who sought Rachel Robinson's permission to wear the number. After receiving her permission, Selig not only allowed Griffey to wear the number, but also extended an invitation to all clubs to do the same.

2001 WORLD SERIES - NOTEBOOK

- D-backs entered the World Series with Craig Counsell as the only active player in possession of a World Championship ring (Marlins, 1997) while the Yankees were 3-time defending champs.
- Randy Johnson and Curt Schilling were the second co-MVP's in World Series history joining the Los Angeles Dodger trio of Ron Cey, Pedro Guerrero and Steve Yeager…it marked the 20th and 21st time a starting pitcher won the award, first since Florida's Livan Hernandez in 1997.
- It was the third time in World Series history that the home team won every game, joining the Twins against St. Louis in 1987, and Twins against Atlanta in 1991.
- D-backs outscored New York 31-5 in the 4 wins, and were outscored 9-6 in the trio of 1-run losses in the Bronx.
- D-backs were the fastest expansion team to get to the Fall Classic a year quicker than Florida in 1997…at the time, other expansion clubs to make the World Series and the year they qualified - Mets (eighth year), Royals (12th year), Seattle Pilots/ Milwaukee Brewers (14th year), San Diego (16th year), Toronto (16th year)…remaining expansion clubs that have not appeared in the Series include the Angels, Senators/Rangers, Colt 45's/ Astros, Expos, Mariners, Rockies and Devil Rays.
- Arizona pitching held the Yankees to .183 team average (42-for-229), the lowest average ever in a 7 or 8 game World Series… previous low was .185 by St. Louis vs. Kansas City in 1985.
- Arizona's overall staff ERA of 1.94 was lowest in World Series play since Cincinnati's 1.70 mark in a 4-game sweep of Oakland in 1990 and lowest in a 7-game set since Kansas City had a 1.89 mark in '85 vs. the Cardinals.
- D-backs were the first team in 80 years to win the first 2 games they ever played in the World Series, the fourth team overall joining the 1914 Boston Braves, 1919 Cincinnati Reds and 1921 New York Yankees.
- The walk-off finish to Game 7 was the 11th overall "sudden death" ending to a World Series, the third in a row that involved a 7-game series…the last was the 1997 finish when Craig Counsell scored the tie-breaking run in the 10th inning as Florida defeated Cleveland…the other was Minnesota's 10th inning win over the Braves in the Metrodome in 1991.
- D-backs are the 19th team to win the series after trailing 3 games to 2…it was also the 11th time a team won Games 6 and 7 at home.
- It was the first time the Yankees were involved in a Game 7 of any postseason series since the 1964 World Series went to the limit against St. Louis.
- D-backs snapped New York's postseason series streak at 11, handing the Bronx Bombers their first series loss since the 5-game Division Series with Cleveland in 1997.
- When Curt Schilling and Roger Clemens hooked up in the final game, it marked the sixth time 20-game winners squared off in the seventh game, first since John Tudor (St. Louis) and Bret Saberhagen (Kansas City) in 1985.
- The 15-2 win in Game 6 alone was worth the following tidbits:
  - + D-backs recorded a World Series-record 22 hits.
  - + 15 runs tied with Toronto for third highest in a World Series game.
  - + 13-run margin of victory tied for second best ever matching the Yankees' 16-3 win over Pittsburgh in Game 2 of 1960 World Series, and was the second-highest ever, just behind an 18-4 Yankee win in Game 2 of the 1936 win over the Giants.
  - + 15-0 lead after 5 innings tied the biggest lead by any team at any time in World Series game…the Yankees had a 16-1 lead in Game 2 of the '60 series against Pittsburgh.
  - + Arizona's 8-run third inning marked the best inning since Game 6 of 1968 series when Detroit scored 10 times in third inning of 13-1 win over St. Louis.

I worked 13 years as a scout evaluating amateur, Minor League and Major League Baseball players. When my contract was not renewed, I had nowhere to turn to pay my mortgage and my bills became overwhelming. A friend suggested that I contact B.A.T. about my situation. B.A.T. stepped up in our time of need and helped us get back on our feet.

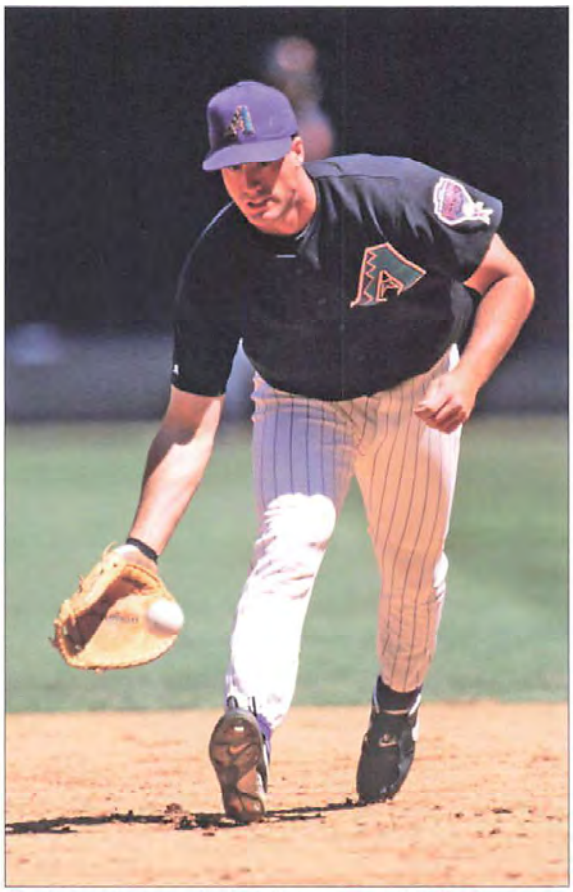
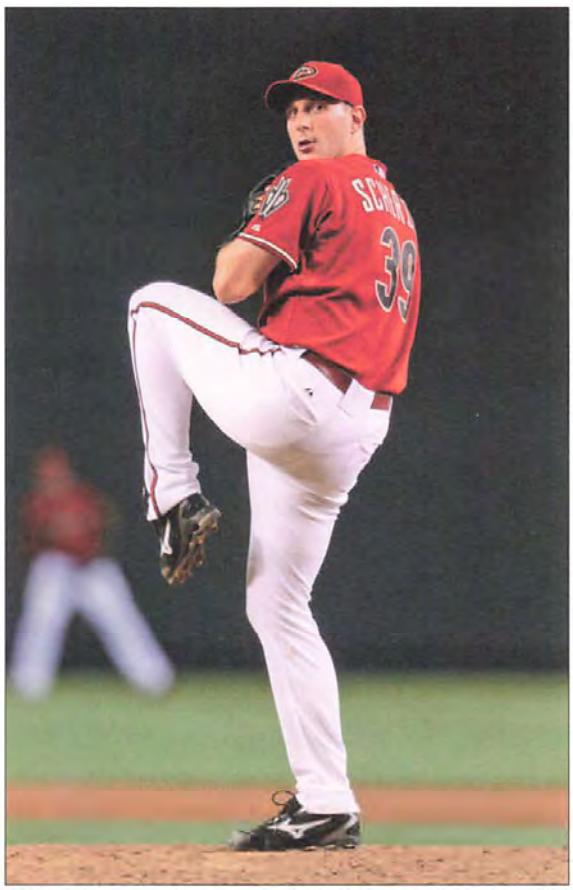
SCOUT OF THE YEAR AWARDS

Bill Bryk, D-backs Special Assistant to the General Manager & Major League Scout, and Howard McCullough, Southeast Scouting Supervisor, were named 2013 Midwest and East Coast Baseball Scouts of the Year, respectively, the first D-backs to receive the award.

The award, which is voted upon by their peers and has been presented annually for 30 years, recognizes the accomplishments of scouts that have devoted at least a quarter of a century to the profession. All recipients of the award are honored in the newly opened "Diamond Mines" scouting exhibit inside the National Baseball Hall of Fame in Cooperstown, N.Y. The exhibit acknowledges the history and careers of all levels of the scouting profession.



Travis Lee became the first "homegrown" D-back to make his debut on March 31, 1998.



Max Scherzer, who was drafted 11th overall in the 2006 First-Year Player Draft, made his debut on April 29, 2008.

REMEMBERING OUR FRIENDS

JOHN MICHAELSON RADIO BOOTH

The Arizona Sports 620 radio booth was named after John Michaelson prior to the 2001 season, honoring the veteran producer/engineer who passed away in the winter of 2000. A veteran behind the scenes in radio brodcasting for years, including three seasons on D-backs broadcasts, Michaelson was a tireless worker and friend to all who came in contact with him.

STEVE PASCENTE MEMORIAL PRESS LOUNGE

Steve Pascente was one of the most dedicated at his craft as a sports report/anchor for 12 News/KPNX-TV and died while on location covering football in Washington D.C. His wife, Julie, has kept his memory alive with the Steve Pascente Charitable Foundation, which supports a variety of foundations including Widowed With Children, The Steve Pascente Memorial Scholarships at Arizona State University and The Andre House. When the D-backs opened the 1998 season against the Colorado Rockies, Nick Pascente, the son of Steve and Julie, served as honorary batboy.

DICK DOZER MEMORIAL PRESS BOX

Dick Dozer spent the majority of his life covering Major League Baseball for the *Chicago Tribune*, but he was hardly a stranger to the Valley. He arrived in Phoenix and wrote for the *Phoenix Gazette*, while also contributing his time in organizing the annual "Dream Game," an old-timers contest that benefitted the Phoenix Memorial Hospital Foundation, and working with the Mesa Ho-Ho-Kams. Dozer was BBWAA Chapter President in 1976. He passed away in 1994. His son, Rich, was an integral player in the D-backs' inception as team president from 1995-2006 and has an executive conference room named in his honor.

Una maquina de fax y una copiadora está disponible en la palco de prensa. La palco de prensa es un área de trabajo activa y vitoreando y conversaciones fuertes no se permitirán. Personas que no tengan credencial para la palco de prensa en ningún momento serán permitidas. Los Arizona Diamondbacks le prohíben a cualquier persona menor de 18 años la entrada a la palco de prensa los días de juego.

TELEFONOS PARA LOS MEDIOS: Los D-backs tienen el lujo de tener una abundante cantidad de teléfonos para llamadas de carga en la palco de prensa. Si por alguna razón miembros de la prensa sienten que no hay suficientes líneas disponibles, ellos deben investigar instalar su propia línea para el uso durante la temporada. Para tener una extensión de teléfono instalada para la temporada, o para una sola visita al Chase Field, por favor comuníquese con Departamento De Comunicaciones.
